Germain's

1953 All America Winner

Chrysler Imperial Rose

The CHRYSLER IMPERIAL ROSE is unmatched by any other red rose. Its vivid, rich tones of crimson are enhanced by darker overtones of glowing oxblood red, and a gem-like lustre of garnet in the folds.

Long, tapering buds unfold even in adverse weather, opening to large, high centered flowers measuring 4 1/2 to 5 inches with 40 and 50 wide petals. These are borne on sturdy, medium long stems. The opening of each glorious rose is a thrilling spectacle of changing, iridescent shades of red.

The flowers are very sweetly scented with true rose fragrance.

The Chrysler Imperial Rose is compact and symmetrical. Its abundant, dark green, semi-glossy, disease resistant foliage gives the bush the appearance of a handsome garden shrub. **CHRYSLER IMPERIAL** — Strong, two-year-old, field grown bushes.
